

G.F Smith Collage Challenge

Hello!

Thanks for getting involved in the G.F Smith Collage Challenge

Here's what you need to do:

This is a challenge based on the stunning colours of the G.F Smith Colorplan range. Your brief is pretty open - you can create a landscape, portrait, abstract, typographic or other themed collage. The only rule is - you can only use the G.F Smith papers enclosed*. Be creative!

* (please only use the paper **without** writing - block colour only for this challenge please!)

Once you're done - please take high res photographs or scans of your work and send them to us at: submissions@contemporarycollagemagazine.com

Please send your collages to us within a month of receiving your challenge.

We'll feature a selection of the collages we receive back in each issue of CC. Magazine - we're sorry, but we can't promise to feature everyone's work.

As an added bonus – all submissions will be automatically entered into the G.F Smith Collage Award which will form part of the 2024 CC. Magazine Awards.

If you have any questions, please email us at the address above.

Enjoy the Challenge!

Les & Molly
